D. ACCEPTANCE

As a condition of being granted membership in the WBCA, the undersigned agrees to abide by the WBCA's Code of Ethics, By-Laws, membership policies, and procedures of enforcement. I understand that my application for membership will be reviewed by WBCA Staff and Officers, and that admittance into the organization is contingent on their approval. I further agree that, as a part of its efforts to better serve the sport and all WBCA coaches, the WBCA Ethics Committee may implement an informal procedure, called an Early Warning System, whereby it will notify me with a courtesy call to let me know if it receives calls or other informal communications from other coaches that appear, in the sole discretion of the Ethics Committee, to raise concerns that I, or other coaches working with me, are violating the WBCA Code of Ethics and/or NCAA Rules. Furthermore, I understand that, after giving me such a courtesy call or upon my failure to respond to the WBCA's attempt to make such a courtesy call to me three (3) times over a ten day period, the WBCA Ethics Committee may, in its sole discretion, decide to pass on to the NCAA complaints about violations of NCAA Rules by me or my staff. I hereby release the WBCA, and its officers, directors, employees, representatives, and agents, and the members of its Executive Committee, from any liability in regard to the rejection of my application or membership, and in regard to the enforcement of its Code of Ethics, including the implementation of the Early Warning System, the imposition of any penalties on me by the WBCA Ethics Committee based on its findings of violations, any investigation undertaken by the Code of Ethics Committee, any notice provided to me, and any concerns about continuing violations that are forwarded to the NCAA after an initial courtesy call has been made to me or upon my failure to respond to the WBCA's attempt to make such a courtesy call to me three (3) times over a ten day period.
